

CXone Mpower Copilot for Supervisors

Multiply supervisors' business impact

CXone Mpower Copilot for Supervisors is AI-powered assistance that maximizes business impact by prioritizing real-time, proactive insights, delivered with context, making supervisors more strategic. By enhancing and broadening contextual data to drive holistic recommendations, Copilot redefines and elevates the supervisor's role from operations taskmaster to organizational strategist.

With detailed, up-to-the-minute information, Copilot levels up monitoring with urgent alerts, and allows supervisors to engage with and act on data in a conversational manner. Generative AI uncovers trends, ensuring supervisors mitigate risks to their team's tracked KPIs over time and guide struggling agents based on an interaction, boosting CX and team performance.
